

Meet Elements Financial

Your Credit Union Partner

We're Elements Financial - the proud credit union partner of Teamsters Local 135. Our goal is to provide financial wellness benefits to Teamsters Local 135 members and their families.

Elements is a full-service credit union. That means we're like a bank, only better. We offer checking, savings, credit cards, loans, and investments with higher savings rates, lower loan rates, and fewer fees. We are headquartered in downtown Indianapolis, but have a global footprint, so members can access their money through online and mobile banking or by visiting one of the 6,000+ shared branches nationwide, and 78,000+ ATMs worldwide.

We are focused on your financial wellness and offer financial wellness resources, onsite workshops and a dedicated Relationship Manager, **Emily Klei**, to support you in multiple ways, including:

-  One-on-One Credit Report Reviews
-  Creating a Custom Budget
-  Planning for Future Financial Goals
-  Tips to Build Your Savings
-  Assistance with Loan Applications
